

Northern Safari Circuit Tanzania

NATIONAL PARKS IN NORTH TANZANIA

Welcome to Northern Safari Circuit of Tanzania

SERENGETI NATIONAL PARK

The Serengeti ecosystem is a world-renowned natural landscape and listed UNESCO World Heritage Site. The Great Migration involving wildebeest, zebra, and Thomson's gazelles that takes place here is the largest ungulate migration on earth. With resilient populations of predators and iconic wildlife such as elephants, giraffes, and rhinos, the Serengeti is a majestic natural landscape

LAKE MANYARA NATIONAL PARK

Lake Manyara National Park well known for the tree climbing lions, the soda ash lake that attracts thousands and pink flamingos, one of Tanzania's biggest elephant population and breathtaking scenery!

Located on the way to Ngorongoro Crater and the Serengeti, Lake Manyara National Park is worth a stop in its own right.

NGORONGORO CRATER

The Ngorongoro Crater is one of Africa's most famous sites and is said to have the highest density of wildlife in Africa. Sometimes described as an 'eighth wonder of the world', the Crater has achieved World renown, attracting an ever-increasing number of visitors each year. You are unlikely to escape other vehicles here, but you are guaranteed great wildlife viewing in a genuinely mind-blowing environment. There is nowhere else in Africa quite like Ngorongoro

TARANGIRE NATIONAL PARK

Ranking as the 6th largest National Park in Tanzania and covering an area of 2,600 square kilometers, The Tarangire National Park is most popular for its large elephant herds and mini-wildlife migration that takes place during the dry season which sees about 250,000 animals enter the park. Slightly off the popular northern Tanzania Safari Circuit, the park lies between the meadows of Masai Steppe to the south east and the lakes of the Great Rift Valley to the north and west.

DAY TRIP: SERENGETI NATIONAL PARK BY FLIGHT

ITINERARY HIGHLIGHTS

Flying in over the Serengeti provides an aerial sneak-peek of the adventure that awaits below.

From Zanzibar, flying in over the Serengeti provides an aerial sneak-peek of the adventure that awaits below. With clear skies, you will be able to take delight in spotting some of the Serengeti resident wildlife as your plane descends for a landing on the Seronera airstrip. On arrival, you transfer into your safari jeep and begin exploring the Serengeti surroundings, before enjoying a sundowner at your home away from home in the wilderness – Africa Safari Serengeti Ikoma. With over 14,000 square kilometres making up the Serengeti, you may not get the chance to see the national park in its entirety, but any of these itineraries will allow you the opportunity to cover some serious terrain and see the park in great depth. From Seronera airstrip you can either fly back to Arusha straight or to Zanzibar.

Trip summary

Early morning pick-up from hotel + transfer to Zanzibar Airport

07.00 Domestic flight departure – 08.30 arrival at Serengeti, Seronera airstrip

09.00 Start Safari Game Drive in the world's best-known wildlife area!

3 DAYS PRIVATE CAMPING SAFARI : TARANGIRE, LAKE MANYARA & NGORONGORO CRATER FROM ZANZIBAR INCLUDING FLIGHT.

DAY 1: Arusha/airport to Tarangire National Park

We will depart from Arusha/airport in the early hours of the day and drive to Tarangire National Park where colossal termite mounds and ancient baobab trees await us. This park is renowned for their immense elephant population, their picturesque scenery and diverse bird life. Tarangire has an enticing wildlife that includes elephants, lions, giraffe, warthogs, ostriches, impalas, cheetah, mongoose, buffaloes and baboons. When our game drive comes to an end we will proceed to the Manyara to overnight at panorama Campsite

DAY 2: Ngorongoro Crater

We will have a timely start to the day to ensure that we arrive at the Ngorongoro Crater promptly – early morning game drives provide you with an excellent opportunity to spot wildlife. We will enjoy a wonderful game drive with an appetising picnic lunch inside the crater. The elevated structure encourages the animals to settle inside the crater which means you are capable of spotting every member of 'The Big 5' in one day. The big five tend to dominate the savannah and consist of buffalo, lions, elephants, rhinos and leopards. The Ngorongoro Crater developed its structure nearly three million years ago when a colossal volcano erupted, making it the largest un-flooded, unbroken caldera in the world. You can also expect to encounter zebra, hippo, wildebeest and hyenas. You will find the flamingos gracefully lounging around the Soda Lake and the vultures are always corrodng the discarded prey of a predator. Other birds include storks and geese. Your guide will be in close contact with the other safari drivers and his impressive ability to track down hidden animals will assure that you have an eventful day.

We will have dinner and spend the night at the panorama Campsite. Comprehensive camping facilities are on offer.

DAY 3: Lake Manyara back to Arusha

In the morning we will depart to Lake Manyara where we will spend the day and enjoy a delectable picnic lunch. The park is nestled at the base of the rusty gold Great Rift Valley escarpment and the scenic landscape is breathtakingly magnificent. An abundance of species are able to reside in the park due to the wide range of habitats. The park record consists of over 380 species of birds, some of which are migratory, making it the ideal location for bird watchers. Thousands of pink-hued flamingos occupy the margin of the lake, other large water birds include pelicans, storks and cormorants. The wildlife you can expect to see are buffalo, elephants, giraffe, impalas and the ferocious hippos that inhabit the water. Our trip will come to an end in the late afternoon. We will proceed to Arushai but transportation to the airport can be arranged on request

THE PACKAGE IS INCLUSIVE OF:

- Transport (4x4 Land Cruiser) with open roof
- Camping & park fees
- Tent & mattress
- Professional English speaking safari guide & cook
- 2 breakfasts; 3 lunches; 2 dinners
- 1,5 bottle of water per day; tea and coffee with meals
- Round trip flight Zanzibar arusha Zanzibar
- Airport transfers

4 DAYS 3 NIGHTS TARANGIRE, SERENGETI AND NGORONGORO CRATER..

DAY 1: From Arusha to Tarangire

After breakfast the tour departs we heading towards the Tarangire National Park for a game drive with picnic lunch at the park. Tarangire is well known for its huge elephant population and baobab trees. It forms the centre of an annual migratory cycle that includes up to 3000 elephants, 25,000 wildebeest and 30,000 zebras. You will have full day game drive and speculate the natural beauty of the Park and late afternoon, you will driver back to Campsite/Lodge for dinner and Overnight.

DAY 2: Tarangire to Serengeti

After breakfast we head towards the Serengeti National Park, via the beautiful high lying farmland of Karatu and the Ngorongoro Conservation Area.

Leaving the highlands behind, we descend into the heart of wild Africa – the Serengeti National Park – with its endless plains, rolling into the distance as far as the eye can see. We head to the central park area, known as the Seronera area, one of the richest wildlife habitats in the park, featuring the Seronera River, which provides a valuable water source to this area and therefore attracts wildlife well representative of most of the Serengeti's species. We arrive in time for lunch and enjoy an afternoon game drive in the Serengeti National Park.

Dinner and overnight at campsite/lodge

DAY 3: Serengeti to Ngorongoro crater

After breakfast drive, you will have morning game drive in the park, lunch at lodge or campsite, and then drive to Ngorongoro with game drive en-route. Dinner and overnight at campsite/lodge

DAY 4: Ngorongoro to Arusha

After breakfast, descend into the crater with lunch box, enjoy full day game drive.

The Ngorongoro Crater is one of the most densely crowded African wildlife areas in the world and is home to an estimated 30,000 animals including some of Tanzania's last remaining black rhino.

Supported by a year round water supply and fodder, the crater supports a vast variety of animals, which include herds of wildebeest, zebra, buffalo, eland, warthog, hippo, and giant African elephants. Another big draw card to this picturesque national park is its huge population of predators, which include lions, hyenas, jackals, cheetahs and the ever-elusive leopard. We will enjoy a picnic lunch on the crater floor.

Late afternoon drive back to Arusha town.

THE PACKAGE IS INCLUSIVE OF:

- Accomodation
- Game Drive
- Park fees
- Use of Safari Car Open loof
- Meals and water
- Professional tour guide
