“ ”

*What's better than staying somewhere that was conceived with the sole purpose of giving you a good night's sleep? The suites, conceived in an Arabic-meets-Swahili design, are set amidst tropical gardens, right by the beach. The whitewashed walls with their arches covered in fuchsia pink bougainvillea, evoke the island's Arabic influences, while the locally-crafted terrazzo tiles bring in the coastal Swahili vibe. All suites have outdoor terraces or balconies facing the beach or the tropical gardens. At sunrise, the resort is magically lit with the first rays of sun, setting the tone for the day to come.*

### ➤ DELUXE ROOMS (44m<sup>2</sup>)

Located on the ground and first floors, our Deluxe Rooms are suffused with shades of white with brass and wood accents, an ode to the island's Arabic influence. Each room has a King-size or Twin beds (ideal if you're travelling with kids), a spacious bathroom with a rainshower and an intimate terrace or balcony.

**ROOM SHARING POLICY:** 2 Adults + 1 Child or 1 Infant

### ➤ BEACHFRONT EXECUTIVE ROOMS (46m<sup>2</sup>)

Imbued in shades of white with gorgeous locally crafted terrazzo floors (for that coastal Swahili feel) with brass and wood furnishings inspired by the Spice Island's arabic influence, these rooms have a King-size bed, a gorgeous tiled bathroom with a standalone bathtub and a separate rainshower. Unwind on your terrace facing the sea.
